LIGHTING & POWER SOLUTIONS

ABOUT US

PT BERKAT OPTIMAL SEMESTA is a trusted provider of lighting, stabilizers, transformers and electrical solutions for commercial, industrial and architectural projects. We are committed to deliver quality products, professional support and optimal solutions to meet our customers' needs.

AUTHORIZED DISTRIBUTOR
MATSUMEGA & M-SHITA
Stabilizers & Transformers

MATSUMEGA | M-SHITA

OUR BUSINESS FOCUS

We provide integrated lighting and power solutions through three focus areas:

01 PROFESSIOMAL LIGHTING

A wide range of lighting products for commercial, industrial and architectural applications, including T8, office & panel, adjustable spotlights and architectural & facade lighting.

02 STABILIZERS & TRANSFORMERS

Reliable power protection with Matsumega and M-Shita stabilizers and transformers for industrial, commercial and office applications.

03 PROJECT SUPPORT & SOLUTIONS

Consultation, product sourcing, technical support and after-sales service to ensure successful project implementation and long-term operation.

OUR VALUES
